# Schoharie Community Pool

**American  
Red Cross**

## American Red Cross Lesson Description

**Parent/Tot Instruction:** Parents and children learn together through fun-filled instruction to increase children's comfort in the water and build a foundation of basic aquatic and water safety skills. The parent tot class introduces basic water skills, including entering and exiting the water in a safe manner, submerging mouth, nose, and eyes and exploring buoyancy on front and back positions.

### Learn to Swim Courses

**Level 1: Introduction to Water Skills:** Helps participants feel comfortable in the water through basic skill building such as blowing bubbles, using the stairs to enter and exit the water, bobbing, and floating with assistance.

**Level 2: Fundamental Aquatic Skills:** Gives participants success with fundamental skills development such as floating by themselves, treading water, and learning to use combined arm and leg action while floating on their back and front.

**Level 3: Stroke Development:** Builds on skills with practice in deeper water. Children will need to swim about 20 feet with touching or support. They will learn proper front crawl and elementary backstroke techniques as well as be able to tread water independently.

**Level 4: Stroke Improvement:** Develops confidence and improves skills. Children will begin to learn how to dive from a standing position, swim underwater for an extended period of time. They will be introduced to the rest of the 6 strokes (backstroke, breaststroke, butterfly, sidestroke, and continue with front crawl, elementary backstroke).

**Level 5: Stroke Refinement:** Provides further coordination and refinement of strokes. Children will perform shallow dives, flip turns for all strokes, and feet-first surface dives to retrieve an object from deep water.

**Level 6: Swimming and Skill Proficiency:** Refines strokes so participants swim with ease. Level 6 at our facility features fitness swimmer which will help children get in shape for either the Water Safety Instructors course, or the Lifeguarding course.

# The Wavemakers

## ***RIDE THE WAVE***

*Beginning: Tuesday June 29<sup>th</sup>, 2016*

*Pool: 295-8163 (After June 29<sup>th</sup>)*

*Coach: Lily Caza*

*Cost: \$20.00 per swimmer or \$40.00 per family*

~ **The goal** of the Schoharie Recreation Commission Swim Team:

"The Wavemakers" is to introduce a swimmer to the techniques of competitive swimming strokes, develop strength, improve speed, and learn about and demonstrate positive sportsmanship. Note: This program is used to enhance the swimmers skills, **not to teach how to swim**. Swimmers are encouraged to take at least one session of swimming lessons.

~ **Practice Schedule:** The team meets from 5:30-6:30 pm Monday- Friday during the season.

~ Swimmers must be present and participate in at least 3 practices before he/she may participate in his/her first meet. Swimmers must be present and participate in at least 12 practices in order to compete in the county meet.

~ Poor attitudes (arguing, swearing, "bad mouthing," and any other rude behavior) will not be tolerated. Swimmers will receive one verbal warning. At second occurrence the swimmer will not be allowed to participate in the remainder of the swim practice or meet.

~ A parent, guardian, or other adult must be responsible for each swimmer at all meets.

~ Swimmers may compete in 3 events per meet unless otherwise stated on the meet announcement. Meet participation shall be determined by the swimmers age on the day of the meet. Swimmers choosing to "swim up" (into a higher age bracket) must do so for the entire meet.
